

Rashmi Khadka

Woodside, NY 11377 | 347-806-0697 | rashmikhadka444@gmail.com | <https://github.com/RashmiKhadka-pixel>

SUMMARY OF QUALIFICATIONS

- Motivated Computer Science student with a solid foundation in programming, mathematics, and problem-solving
- Programming Languages: C++ and Java, JavaScript, HTML, and CSS | Design Tools: Figma, Canva
- Proficient in Microsoft Office (Word, Excel, PowerPoint, and Outlook)
- Fluent in English, Nepali, and Hindi

EDUCATION

The City College of New York, NY Present

Bachelor in Science, Computer Science

LaGuardia Community College, Long Island City, NY Graduated: 6/2025

Associate in Science Degree, Computer Science

GPA: 3.796

Dean's List: Spring 2023 – Spring 2025

Relevant Coursework: Object-Oriented Programming | Advanced C++ Programming | Discrete Math | Discrete Structures | Data Structures | Computer Organization & Assembly Language | Calculus I, II, III

PROJECTS

Personal Portfolio Website <https://rashmikhadka-pixel.github.io/portfolio-project/>

HTML, CSS, JavaScript, Figma, GitHub

- Designed and developed a fully responsive portfolio from scratch to showcase personal projects and skills
- Implemented clean UI/UX design using Figma and CSS styling techniques
- Used GitHub for version control, demonstrating strong front-end development, debugging, and design skills

Car Rental Management

Java, Object-Oriented Programming

- Wrote and tested working code in Java for a project to track rental cars, add new cars, and calculate fees based on miles driven
- Applied object-oriented programming principles like inheritance and polymorphism to streamline code structure and functionality

EXPERIENCE

LaGuardia Community College, New York, NY 3/2025 – 6/2025

Web Development Intern

- Contributed to a fully responsive personal portfolio website using HTML, CSS, JavaScript, and Figma, while using GitHub for version control and project tracking
- Gained office communication and teamwork skills through weekly check-ins, and hands-on experience with professional tools and workflows
- Collaborated with fellow interns to troubleshoot HTML/CSS issues and exchange debugging tips

New York Cares, New York, NY 9/2023 – 1/2025

Volunteer

- Assisted in packing and delivering meals for homebound residents, ensuring timely delivery
- Demonstrated organizational skills by assembling and packing up to 800 food bags a day with a team of volunteers

Southern Illinois University, Edwardsville, IL 8/2022 - 12/2022

Student Custodial Worker

- Followed instructions from the supervisor to prioritize tasks, manage time, and complete daily responsibilities in a timely manner
- Demonstrated reliability and strong communication skills by regularly reporting progress and issues to the supervisor
